Bennion Deville Homes Realtor® Sue Turner Earns FIVE STAR Award

LAGUNA NIGUEL, CA – JANUARY 4, 2015 - Bennion Deville Homes is proud to recognize LUXE Director Sue Turner of the Laguna Niguel office, located at 27941 La Paz Road, Suite A, for winning the FIVE STAR Home Professional Award for Real Estate for the fifth consecutive year. The Five Star Home Professional Awards are given to real estate professionals in the Orange County area who deliver outstanding service and client satisfaction. The winners of the awards are determined by a third-party research team, who factor in submissions from clients that rate an agent's performance on several criteria, with no more than 7% of professionals in each category receiving the award.

As a multi-year recipient of this award, Sue is solidifying her place as one of Orange County's top real estate professionals for both quality of service and client satisfaction. "It is really nice to get this recognition and a great compliment from my clients," says Sue. Clients are drawn to Sue's calming presence and ability to make everything turn out positively for them at the conclusion of each transaction. Because of her emphasis on maintaining client relationships and putting client needs at the forefront of everything she does professionally, Sue has built a strong referral base for her business. "I consistently stay in touch with my past clients as often as I can to see how they are doing. My intentions are genuine and I truly care about them."

Sue has been successful in real estate because of her exceptional ability to work with clients and make the real estate process as stress-free as possible. “My job is to take the stress off of a client and manage their expectations, with an open line of communication being a critical component to the service I provide. I also treat others the way that I want to be treated. This philosophy coupled with my proactive approach to the business ensures that my clients have the best experience possible,” she concludes. Sue’s diligent work ethic and decorated credentials keep her in high demand throughout Orange County.

“We are so proud of Sue for earning the FIVE STAR achievement this year,” says Sandi Richardson Managing Broker of the Laguna Niguel office. “The FIVE STAR Award is an incredible validation of the level of service Sue provides her clients and the quality of relationships she has cultivated through hard work and genuine concern for her clients’ well-being.”

“I am pleased to recognize Sue on another tremendous and well-deserved Five Star Award appointment,” adds Bob Deville, Co-Founder of Bennion Deville homes. “The prestige that comes with the Five Star Award is an exceptional statement, and to consistently earn the award is truly remarkable. Congratulations Sue on a job well done.”
