Bennion Deville Homes Welcomes David Lehmann

RANCHO MIRAGE, CA – MARCH 26, 2016 – Bennion Deville Homes is proud to welcome Realtor® David Lehmann to the Rancho Mirage office, located at 71691 Highway 111. David has been in the real estate industry since 1987 and earned his real estate license in 2015. He works with buyers and sellers throughout the Coachella Valley, specializing in the communities of Rancho Mirage, Palm Desert, and Palm Springs.

Prior to earning his real estate license, David worked for an escrow company, giving him a deep understanding of the real estate transaction process from multiple perspectives. “Regardless of the side of the deal you handle, it is imperative to listen to your client’s wants and needs, and assess the situation properly to bring them a successful result,” David states. “Having been a buyer and a seller before, I understand the emotional journey one takes throughout the process. Being able to empathize with someone goes a long way toward earning their trust and doing what’s best for them.”

After being in escrow for over 25 years, David decided it was time for a change. “I really wanted to have more one-on-one interaction with clients and have a hand in helping them make the best decision regarding the property and the circumstances of the deal. Seeing the properties is one of

the biggest draws as well – I love the diverse desert architecture and home styles,” he adds.

As a real estate industry veteran, David knows the fundamental skills required to be successful. “Client service and communication are huge. You have to do what you say you’re going to do and always be willing to do what it takes to make your client happy, while holding true to satisfying their interests.”

Extending from his desire to work and interact with clients more, David enjoys giving back to the community about causes close to his heart. “I donate to Desert AIDS Project and Well in the Desert, and plan on increasing my commitment to these activities soon.”

David joins Bennion Deville Homes after working with many Bennion Deville Homes agents over the years. “I knew the level of support Bennion Deville Homes offers its agents and was impressed with its transition to become an independent brokerage. I am happy with where I landed as I join many of my friends and former clients at Bennion Deville Homes,” David concludes.

Says Managing Broker Don Rossignol, “David’s tenure in real estate and experience working other aspects of the industry set him up to succeed as an agent. We look forward to working with David and welcome him to our Rancho Mirage family.”
